

As Children Worldwide Kenya, we believe that God has placed at a vantage point to be part of the bigger movement to scale up the children ministry. We are therefore prayerfully engaged in gospel outreach activities and trainings that impact the lives of children across the entire country, Kenya.

Our programs for 2021 highlight even more the need to serve the spiritual and felt needs of our children and their families through running training workshops for children workers, camps, village bible studies, rallies, games/sports, talent shows, children community services, holiday club, retreats, ministry to schools, conferences, and donating materials for Sunday school lessons. In the midst of Covid season, in the last eight months we trained about 900 children workers through zoom and issued certification for successful completion. Over the same period we also managed to distribute bible study books to households across the country and guided them on how best to conduct their home bible studies. We have also two model children churches that were prompted by the desire to reach unchurched children in our communities during corona period. We are currently recruiting more regional representatives across the country to run our programs in those regions. By August will be in lower Eastern and Narok, God helping us.

On behalf of the grateful children, families and churches that are served by our team in Kenya, I thank God for our amazing partners who came alongside us to make this possible. Thank you Children Worldwide UK team for your prayers and donations among other partners and friends.

In Philipians 1:3 Paul reflects on the partnerships like the ones we have at Children Worldwide and he says: "I thank God every time I remember you In all my prayers for all of you. I always pray with joy for your partnership in the gospel from the first day until now being confident of this, that he who began a good work in you will carry it to completion until the day of Christ Jesus"

May God bless you, may He keep you safe, may He sustain you, may He keep us united in the mission and in services as we wait for the beautiful day of the return of our LORD JESUS CHRIST.

Your Servant,

Godfey Omole.
